

ELIMINATING POSTPONEMENTS FOREVER

Cindy Williams NSD

“Cross Confirmation Script”

This method gathers information from guests to feedback to the hostess which makes it incredibly difficult for her to postpone!

To Book Hostess Prospects, Say:

“What would I need to offer you to make it worth your while to get on the phone and contact your friends/family and then get your guest list back to me in a day or two?”

Negotiate the product & “terms”.

- When she gets back to you w/ names & numbers within 24-48 hours, proceed with:

“Tell me a little something about each guest. What do YOU believe would be her reason for coming?”

- Call the Guest and Pre-Profile....

“Hi, this is __ (you) __. I’m __ (the hostess) __’s consultant for Thursday night’s party. Do you have a minute? Great! She said you were planning to come because... (... “you’re a good friend”, or “you always love to look your best and are really into looking sharp”, or whatever was your friend’s reason.). That will make this so fun for both of you”.

“I’m hoping you’ll get something out of this party that is JUST FOR YOU. In addition to what the hostess told me, tell me, what is YOUR reason for wanting to come? Is there any special skincare need or glamour issue that I can make sure I address for you?”

(jot down what she says on a Profile Card; list the MK items that support her issues. Customize her profile, and then later pull the items that apply to this request to take along to the party to showcase in front of her tray at the party). At the party when she arrives, she’ll see her profile and know where to sit. You could say at that point to her: “Based on how you expressed your concerns, I went to my personal inventory and hand selected these items just for you. I’ve showcased them in front of your tray for your consideration.) (Can you see how special this will make her feel?)

- At the end of the party at her personal closing, you could say:

“Would you like to get these personalized items?”

NOW, YOU’LL WANT TO GET BACK TO THE HOSTESS AND GIVE FEEDBACK TO HER WITH:

Say to hostess: (in a fun way).

“First of all, I want you to know I’m mad at you. I didn’t know your guests would be so excited to come to your party.”

Your first guest said she can’t wait to get her dark circles fixed.

Your second guest said she’s dying to have a fun night out with the girls!

Your third guest is eager to try our products for oily skin... Etc.

“I don’t know how to tell you this, but I think your party will turn out a whole lot better than we thought. Since your party is going to be such a huge success---is there anybody else who might like to get in on the fun? If you’d be willing to get back on the phone to get your party from 3 up to 6, I’d be willing to offer you another.... (special hostess gift that would appeal to her. Perhaps a product that completes a set, or whatever!)”

Do you see how this will:

- 1) Confirm your party & lock in the hostess! Plant positive expectations and commitment!
- 2) Double your party size if she’s willing to go one step further!

Be sure that you have your hostess credit contingent on the following:

- 1) Must get guest list with phone numbers to you within 24-48 hours to count
- 2) Must hold on original date
- 3) Guests must be 18 or older and not have a current MK consultant servicing them.

Suggestions to offer hostess: \$25 in free product, a personal discount for HER based on how many guests shows up that evening (ex: gets 30% off any MK items for having 3 guests there, 50% for 5 guests. 50% is the max she can earn)

Build trust/rapport with your guests on your own.

This can always lead to another booking later if for some reason they can’t come.

The key is follow-up!!!!!!

It takes 7 layers to reach the subconscious and influence your buying decision! **Remember: YOU DON’T NEED TO PRE-PROFILE UNLESS YOU WANT YOUR PARTIES TO HOLD!**
