

Your Personal Collection

Mary Kay has been named a Best-Selling Brand of Facial Skin Care in the United States! You deserve the Best! And you can get it at a discount!! Below are the products that I recommend you have in your home. And here are the steps I recommend that you take . . .

- 1. "TOSS" YOUR OTHER BRANDS!** If you are not currently a Mary Kay user, you can not promote what you do not wear and love. If you already use Mary Kay products, fill in any blanks you might be missing.
- 2. Set up your shower, sink area, and vanity with your Mary Kay PAMPER PACKAGE.**
- 3. Include your Personal Use Items in your initial order, or order them alone.** Contact your friends, and family, find out what product they need. Go through this list and add the items you need, and place your order!! (See the consultant order sheet for penciled in suggestions)
